Accessibility Statement Tango.lu

1 Passage du génie
75012 Paris
01 43 05 66 41

Accessibility Statement

The body making the statement Tango is committed to making its website accessible, in accordance with the [law of 28 May 2019](#) on the accessibility of websites and mobile applications of public sector bodies.

This accessibility statement applies to: <https://www.tango.lu/fr>

WHAT IS DIGITAL ACCESSIBILITY?

Everyone should be able to easily use and consult the information on a website or an app, in particular people with disabilities and/or using assistive software or specialised equipment (blind, partially sighted or otherwise disabled people).

COMPLIANCE STATUS

Tango.lu website is non-compliant with the European Standard [EN 301 549](#) and [the Web Accessibility Assessment Framework \(RAWeb\) version 1](#), due to the reasons listed below.

NON-ACCESSIBLE CONTENT

The content listed below is non-accessible for the following reasons:

Non-compliance

Several elements of non-compliance are described in this document, including some recurring on several pages:

- Some informative images do not have text alternatives.
- Some decorative images are not ignored by screen readers.
- Some text alternatives for informative images are not relevant.
- Some frames do not have titles.
- Some text does not contrast sufficiently with its background.
- Some components or graphic elements do not contrast sufficiently with their background.
- The titles of some links and their context do not allow their function or destination to be understood.
- Some scripts are not compatible with screen readers.
- Some scripts cannot be controlled using the keyboard.
- Some context changes are not announced or cannot be controlled by the user.
- Some informative images do not have a textual alternative.
- Some decorative images are not ignored by the screen reader.
- Some textual alternatives to informative images are not complete.
- Some iframe elements have no title attribute.
- Some text colors are not sufficiently contrasted with their background.
- Some visual component colors are not sufficiently contrasted with their background.
- Some links combined with their context fail to describe their purpose or destination.
- Some scripts cannot be rendered by assistive technology.
- Some scripts cannot be controlled by the keyboard.
- Some context changes are initiated without giving users advanced warning.
- Some status messages are not correctly announced by assistive technology.
- Some pages do not validate against formal specifications: opening and closing tags, no duplicate attributes, and unique ids.
- Some pages have no title.
- Some language changes are not indicated.
- On some pages, the information is not structured by appropriate headings.
- Some lists are not tagged as such.
- Some focus indicators are not visible.
- Some information is only provided by its shape, size or location.
- Some content is clipped or overlapped when text spacing is adjusted.
- Some content shown on hover cannot be user controlled.
- Some form fields have no explicitly related label.

- Some form fields provide no descriptive labels.

Disproportionate burden

No exemption identified

Content not within the scope

No exempt content

PREPARATION OF THIS ACCESSIBILITY STATEMENT

This statement was prepared on 21 Janvier 2025.

The declarations contained in this statement are accurate and based on an actual evaluation of this website compliance with the requirements defined in [RAWeb 1](#), such as an assessment carried out by a third-party: [Ipedis](#).

FEEDBACK AND CONTACT INFORMATION

If you notice an accessibility defect on the Tango.lu site, send us an email to communication@entreprise.fr: describe your problem and specify the page on which it occurred.

We commit to replying to you within 1 month.

Within reasonable limits, the correction of the accessibility issue will preferably be carried out online such as to remedy the problem in a sustainable way.

Should this not be possible, the information you requested can be made available to you in an accessible format of your choice:

- In writing in a document or email
- Orally in an interview or by phone.

ENFORCEMENT PROCEDURE

Should the reply be unsatisfactory, you also have the possibility of informing the [Information and Press Service](#), the body responsible for supervising accessibility, via its [online complaint form](#) or the [Ombudsperson](#), the mediator of the Grand Duchy of Luxembourg.
